A MESSAGE FROM THE PRESIDENT

Mid-South Christian College is an institution of Biblical Higher Education with an extremely focused emphasis. Our desire is not to provide an “all around” education for any and all individuals, but rather to concentrate our efforts on a specialized program, aimed at a well-defined student body committed to pursuing an education designed to prepare. We are focused on ministry!

A Ministry Focused College is more concerned about the mission than the tradition. It is focused more on the calling than on the credits alone. We exist to expand God’s kingdom by raising up leaders, preparing them for ministry, and assisting them in carrying out the mission God has called them to fulfill.

A Ministry Focused Faculty is more of a mentor than a purveyor of knowledge. They are focused on advancing the student rather than advancing their career. Our professors have not just studied an area of expertise, but have actually spent years ministering and refining principles into practical, real world applications.

A Ministry Focused Student wants to get more out of college than a degree. They want more out of life than a job. From their very first semester our students form Ministry Cohort Teams that not only acquire excellent academic preparation, but actually reach out in service to the community, grappling with challenging and significant ministry issues.

At Mid-South Christian College students will not find a multitude of educational tracks, a myriad of course offerings, or a tangled web of activity through which they must navigate. Instead, they will find an administration, a faculty and a student body focused on working together to fulfill God's Great Commission.

It is my hope and prayer that students find focus for their lives and a place to grow at Mid-South Christian College.

In Him,
Larry Griffin, President
Mid-South Christian College

GENERAL INFORMATION

HISTORY

Mid-South Christian College is the successor to Memphis Christian College which was established in Memphis, Tennessee in 1959.

Vernon Newland, then Academic Dean of St. Louis Christian College, led in the establishment of Memphis Christian College. He had been instrumental in establishing other Bible Colleges and for several years had been receiving requests from people in the Mid-South to come and help start a college in this area.

A meeting was held in Memphis on January 9, 1959. It was attended by about 40 people including 24 ministers from Tennessee, Mississippi, Alabama, Missouri and Arkansas. The group voted unanimously to establish a Bible College in the Mid-South. Memphis was selected as the location and Memphis Christian College was chosen as the name. September, 1959 was set as the opening date. Mr. Newland accepted the position of President and shared teaching responsibilities with 4 part-time instructors. Classes were held in the Oakhaven Christian Church building.

The college continued using the Oakhaven facilities until land was purchased and buildings constructed in the Parkway Village section of southeast Memphis. In June, 1964, Brad Burnette became Mid-South Christian College's second president. The college remained in Memphis until 1973 when 160 acres of land were purchased in rural northwest Mississippi, about 12 miles west of Senatobia. The name was changed to Mid-South Christian College. In May, 1975, Jack Bliffen became the college's third president. In August, 1981, Gerald A. Gibson became the fourth president. William H. "Bill" Griffin became the fifth president in 1988. Robert G. Secrist became the sixth president in 1997. On July 1, 2001, Larry Griffin became the seventh president to serve.

During the years in Mississippi, the college developed significantly in terms of administrative structure, quality faculty, library, and educational programs. However, student enrollment did not keep pace with growth in other areas. The Trustees and Administration believed that the isolated campus had, to a great extent, been responsible for the low enrollment. Because of this the Trustees voted to move the college back to Memphis, Tennessee.

During the academic years of 1987, 1988, and 1989 the college was located on Elvis Presley Boulevard in the Whitehaven area of the city. In the summer of 1990 circumstances developed that made it possible for the college to return to its original campus located on Knight Road at Knight Arnold in the Parkway Village section of Memphis.

FACILITIES AND EQUIPMENT

The campus of Mid-South Christian College contains more than eleven acres of ground and five buildings with more than 40,000 square feet of space. The main building is 70 x 175 feet and provides space for classrooms, offices, food serve, presidential lounge and meeting rooms. The Dutka Memorial Chapel is housed in a building 40 x 75 feet seating more than a hundred. The gymnasium measures 70 x 125 feet. The two-story dormitory measures 40 x 120 feet. The W. H. Griffin Resource Center has 5,350 sq. feet. *T* houses library stacks, offices, computer lab, student services, café and meeting room. The Park Village Christian Church, which is adjacent to the MSCC campus, is used for special gatherings.

In addition to the usual equipment used in classroom instruction, the college has a complete, modern recording studio. The studio is used in radio production classes and recording studio engineering classes as well as to produce quality recordings of sacred music. The college also provides computers with internet access in both the Resource Center and the classrooms.

STATEMENT OF FAITH

We believe that Jesus is the Christ, the Son of the living God. We believe, without reservation, in the infallibility and the authority of the Bible and are committed to the principles of the Restoration Movement.

PURPOSE

Mid-South Christian College exists to glorify God by partnering with Christian Churches in raising up individuals called by God to fulfill the global vision of Christ by facilitating their academic, practical and spiritual preparation.

This is accomplished through a program of Biblical studies, general education and with studies in Pastoral Ministry, World Missions, Christian Education, Worship and other church vocations.

We believe that Christian higher education should be based on the Bible and that the Bible should determine how everything else is taught. Strong emphasis is placed upon the training of students to carry out the Great Commission of Jesus Christ, through evangelizing the lost and teaching the saved.

OBJECTIVES

Mid-South Christian College has identified the following Academic Core Learning Threads that are applied to every course taught. The student who graduates from Mid-South Christian College will demonstrate the following:

1. Demonstrate competence as servant leaders that meet the real needs of our current world through a variety of ministry roles in local congregations as well as the mission fields of the world.
2. Demonstrate an understanding of their unique giftedness as well as that of others and how that giftedness will be used to serve God in community with others.
3. Demonstrate competence in the research, interpretation and application of the inspired Word of God both the Old and New Testaments at an undergraduate academic level of scholarship.
4. Demonstrate competence in effective public communication through various forms including listening, preaching, teaching, dialoging and writing.
5. Demonstrate personal spiritual growth and devotion in relationship to God which results in increasing transformation into the likeness of the mind, attitudes and actions of Christ.
6. Demonstrate sensitivity and skill at relationship building, communication and discipleship among the varied cultures of the United States and the world.
7. Demonstrate competence in the mental skills of thought, reasoning, reflection, analysis and discovery in seeking God's truth and application for today's cultures from a Biblical worldview.

EQUIPPING GLOBAL MINISTERS THROUGH INNOVATIVE PROGRAMS

The goal of MSCC is to assist Christians in developing their effectiveness in various areas of service and ministry for Christ at home and abroad. In order to assist the local church, growing Christians, foreign missionaries, and those seeking professional training for ministry; MSCC is committed to developing innovative programs to meet a variety of needs. Besides daytime classes we offer the following:

Evening Classes on campus allow students within driving distance of the campus to work either midnight or daytime shifts. Many classes begin at 5 PM and finish by 10 PM. A student can take either one or two classes per evening. Most classes meet Monday through Thursday one time per week for a two or three hour period. Students travel as much as two hours for the evening.

Weekend Courses meet on a Friday evening and part of Saturday. These meet once each month for three or four months depending on the credit hours for the course. The classes are regular college courses available for audit or credit. The format makes it possible for people at a distance to travel to Memphis, stay overnight and complete a course in several weekends. This can be of value to preachers, elders, Sunday school teachers or anyone seeking to develop further their ability in the areas of Bible and ministry.

Intensive Classes are regular college classes that are offered in a condensed time frame while still requiring the number of class hours of the regular 15 week semester. Classes generally meet more hours per day. Some classes meet five days per week for a one to three week period based on the college credit offered. See the semester schedule for details.

Extension classes are regular college level courses offered away from Memphis. These usually meet in a local church within driving distance of a faculty member who comes for the evening or weekend. Instead of the students traveling to Memphis we bring the class to them. This can be a great help to the local church in adding an advanced study dimension to their program. It also allows members of nearby congregations to participate in a class without traveling more than an hour. Any congregation can contact the Academic Dean of the college about the possibility of scheduling a class in their area.

MSCC is a bi-lingual institution wherein all on-campus course offerings are available in both English and Spanish. A student may pursue a degree in either language or take some courses in each language. The requirements for all degree programs are the same whether the certificate or degree is pursued in English or Spanish. Most college activities are held with our native-English and native-Spanish students altogether in order to increase communication and understanding between cultural groups.

AFFILIATION

Mid-South Christian College is autonomous and is part of the fellowship of nondenominational Christian Churches and Churches of Christ. The primary goal of the college continues to be service to churches in the Mid-South. Mid-South Christian College is primarily supported by contributions from congregations and concerned individuals.

The Christian College Consortium for Distance Learning

Mid-South Christian College is an associate member of The Christian College Consortium for Distance Learning. The consortium is made up of more than ten Christian Church colleges across North America that provide college level courses via the Internet. Students enrolled through MSCC share in classes with students and faculty from other institutions. These courses require a computer with internet access. Credits earned are transferable to any of the member colleges.

RECOGNITION

Mid-South Christian College is authorized by the Tennessee Higher Education Commission. (404 James Robertson Parkway, Suite 1900, Nashville, TN 37243: Telephone number 615-741-5293: <http://www.tn.gov/thec>) This authorization must be renewed each year and is based on an evaluation by minimum standards concerning quality of education, ethical and business practices, health and safety, and fiscal responsibility.

Mid-South Christian College is accredited by the Commission on Accreditation of the Association for Biblical Higher Education (ABHE), 5850 TG Lee Blvd. Suite 130, Orlando, Florida, 32822 PH. (407)207-0808. Email: info@abhe.org Web Site: <http://abhe.org>

MSCC can be found on the U.S. Department of Education website of **Accredited Post-Secondary Institutions and Programs** at <http://ope.ed.gov/accreditation/> click on the button “Get Data on accredited institution/campus/site.” This takes you to a search page. Enter Mid-South Christian College into the “Name of Institution” field and press “Search.”

The U. S. Department of Education has recognized Mid-South Christian College as an institution where students are able to apply for Title IV Funds. MSCC has chosen to accept Federal Pell Grants and not to participate in the federal guaranteed loan program. We prefer that students graduate debt-free and include a class in the first year to help students learn how to achieve a debt-free life.

Mid-South Christian College has been serving churches in the Mid-South for nearly sixty years. During these years, congregations associated with the nondenominational fellowship of Christian Churches and Churches of Christ have come to recognize the college as a quality institution providing students with a collegiate-level education in preparation for a wide-ranging variety of Christian ministries.

Though MSCC has not been a member of a regional or national accrediting association until recently, MSCC graduates have been accepted into more than a dozen Graduate Seminaries or University Graduate Schools. They are serving as ministers in local churches, on foreign mission fields, as campus ministers, directors of children’s homes, and as administrators and faculty members of Bible colleges.

MSCC is recognized by the Internal Revenue Service as a 501(c)3 non-profit organization, and, as such, is exempt from Federal Income Tax.

The college has been approved by the Immigration and Naturalization Branch of the Department of Justice to accept and enroll non-immigrant foreign students.

MSCC is approved by the Tennessee Higher Education Commission for the use of VA educational funds. If you are interested please check with the VA for details on how to apply. MSCC facility code: 31903842. To see a list of approved schools use this link

STUDENT LIFE

STUDENT LIFE

General Information

Mid-South Christian College is a Bible College preparing people for service in the church. Students, both full-time and part-time, are expected to conduct themselves in harmony with the purpose and ideals of the college.

Living Accommodations

All single students must live in College-approved housing. Freshmen must live in College-provided housing (dorms) unless they commute from home daily. Living on the college residence is a privilege not to be abused or taken lightly.

Students must take at least nine (9) semester hours and maintain a 2.0 GPA to live on campus. Full-time students (12 semester hours or more) will be given first priority. An entrance deposit for dorm residents is a non-refundable fee of \$50.

For married students' housing an entrance deposit equal to one month's rent will be required for residence at time of registration. This deposit will remain on the student's account until he/she moves out. It will be returned to them at that time provided that it is not needed to repair damage to the living space.

All students renting college-owned apartments, both married and single, are required to sign a dorm contract at the beginning of each semester. Residence is on a semester-by-semester basis.

Food Service

The college offers a meal plan. Students can buy a full plan, a partial plan or individual meals. See the Tuition and Fees page for prices. Microwave ovens and refrigeration are provided in the dorm.

Sports and Recreation

Mid-South Christian College does not engage in inter-collegiate sports. However, a gymnasium and soccer field are available on campus for recreation and intramural activities. Believing that a Christian should maintain the best possible physical and spiritual health, students are encouraged to develop and maintain a regular exercise program.

Church Attendance

All students, full-time or part-time, are expected to be regular in church attendance and to be as active in a local congregation as school, work and other activities permit. They are also expected to attend college-sponsored activities such as convocation, graduation, chapel, and special lectureships. Degree programs require a minimum number of hours working with an active ministry under a mentor. Some students fulfill this requirement by assisting in Sunday School teaching with a local church.

Counseling

Each student is assigned an academic advisor. The Academic Dean, Director of Student Services, and other faculty members are also available for academic and personal counseling.

Textbooks

Textbooks for classes are available through various local and online vendors. Students are also required to purchase a personal copy of Logos Bible Software at the beginning of their freshman year, which contains hundreds of books and Bible research tools, including original (biblical) language tools. Logos Bible Software is available in both English and Spanish versions.

Employment Opportunities

Mid-South Christian College is located in a large metropolitan area which provides many employment opportunities. Some of our students are employed in local businesses or industries. Some are employed by area churches.

Discipline

Individuals accepted as students of Mid-South Christian College have indicated their commitment to Christ and service in the church. They have agreed to conduct themselves in harmony with the purpose and ideals of the college. Continued failure to do so would lead to dismissal from the college. Any of the following would constitute reasons for Dismissal:

1. Persistent disregard for the rules and regulations stated in the college catalog and student handbook.
2. Habitual refusal to submit to authority.
3. Conviction of a felony.
4. Use or possession of tobacco, alcoholic beverages, illegal drugs, or obscene materials.
5. Attitudes or behavior that disrupts the harmony, morale, and operation of the college.
6. Involvement in criminal activities on or off the campus.
7. Immoral conduct.

Student's Rights

Mid-South Christian College abides by the regulations of the Family Educational Rights and Privacy Act of 1974 (the so-called Buckley Amendment). All information on a registered student is kept confidential. Information is released only with the written permission of the student.

Students have the right to appeal any decision or action of the college. Grievances should be put in written form and presented to the Dean of Students at his office on the college campus located at 3097 Knight Road - Memphis, Tennessee, or mailed to him at P.O. Box 181056, Memphis, Tennessee 38181-1056. The college telephone number is (901) 375-4400.

Grievances not settled through this procedure may be reported to the Tennessee Higher Education Commission, Nashville, Tennessee 37243-0830, telephone (615) 741-5293 or the Association for Biblical Higher Education, 5575 S. Semoran Blvd., Orlando, Florida, 32822, (407) 207-0808. Any person claiming damage or loss as a result of any act or practice by this institution that may be a violation of the Title 49, Chapter 7, Part 20 or Rule Chapter 1540-01-02 may file a complaint with the Tennessee Higher Education Commission, Division of Postsecondary State Authorization.

Placement

Mid-South Christian College does not offer a placement service as such. The college does act as a clearing house for information from churches seeking ministers or other workers as well as ministers and other workers seeking positions with churches. Statistical data regarding withdrawal rates, completion rates and placements can be viewed by going to the Tennessee Higher Education Commission website at <http://state.tn.us/thec> and clicking on the "Authorized Institutions Data" button. Look for Mid-South Christian College in the list.

FINANCIAL INFORMATION

FINANCIAL ARRANGEMENTS

Tuition, fees and room rental are due at the beginning of each semester. A student, who does not wish to pay the entire bill at the beginning of the semester, may participate in Mid-South Christian College's In House Financing Plan. The student will be required to pay a minimum of twenty-five percent of the bill at enrollment and pay the balance in three equal monthly installments. A student must meet the terms of his deferred payment plan if he is to be able to register for the next semester. Accounts must be paid in full by the beginning of the next school semester. Students who qualify for Title IV Funds or other scholarships may apply these to their bill.

No degree or diploma will be granted, or transcript issued until all financial obligations have been paid.

The College seeks to maintain all student charges at a minimum without sacrificing its high standards of quality education. For a list of the charges see Tuition and Fees. If future requirements necessitate cost adjustments, the College reserves the right to change fees, modify services, or change its programs without notice.

GUARANTEED TUITION AND FEE RATE

Upon enrollment at Mid-South Christian College each student signs an Enrollment Agreement. This agreement outlines the total expected costs of the degree program in which the student is enrolling. The Enrollment Agreement guarantees a student that the tuition and fee rates stipulated will not increase as long as the student remains continuously enrolled as a full-time student and meets or exceeds the requirements stipulated in Mid-South Christian College's Satisfactory Academic Progress Policy. Except for the Bachelor of Christian Leadership program, the housing and meal plans are not included in the Guaranteed Tuition and Fee Rate, and therefore they may be adjusted due to inflation or other increased costs incurred by Mid-South Christian College.

LATE PAYMENT DUE TO THIRD PARTY DELAY

It is the policy of Mid-South Christian College to not penalize enrolled students due to late payments as a result of a third-party delaying payment to or on behalf of the student during a semester in which the student is enrolled. Students who have enrolled and have made financial arrangements with the Business Office, indicating an outside third party providing financial assistance, will not be charged late fees or be removed from classes due to a delay from the third party. Students will not be allowed to register for any subsequent semester until they have been able to meet all financial obligations and have received clearance from the Business Office. Common third parties used by students at Mid-South Christian College are 1) Supporting Church or Sponsor, 2) Department of Veteran's Affairs (VA).

REFUNDS

Withdrawal Date

The calculation of the amount to be refunded is determined by the date that the student withdraws, which is the earliest of:

- The date the student began Mid-South Christian College's withdrawal process;
- The date the student officially notified the institution of intent to withdraw;
- The student's last date of attendance at a documented academically related activity.

Withdrawal refunds of tuition and room rent will be as follows:

- During the first two weeks of the semester - 80%
- During the third week of the semester - 60%
- During the fourth week of the semester - 40%
- After the fourth week of the semester - No refund

The return of Title IV funds will be calculated based upon a federally defined formula and stipulated in Mid-South Christian College's Policy on the Return of Title IV Funds.

- Refunds are allocated in the following order:
- Unsubsidized Federal Stafford Loan
- Subsidized Federal Stafford Loan
- Federal Perkins Loan
- Federal Parent (PLUS) Loan
- Federal Pell Grant
- Federal Supplemental Opportunity Grant
- Other Title IV assistance
- Private and institutional aid
- Student Payments

If a student has paid more than the amount owed, Mid-South Christian College, within 30 days of the date the institution determined that the student withdrew, will refund the amount owed according to the percentage calculations stipulated above.

All charges to the student's account above the amount owed according to the percentage calculations stipulated above are the obligation of the student, and must be paid to the Business Office even though the student has withdrawn from the institution.

The same refund policy applies to both the withdrawal from a class and from the college.

BOOKS & SUPPLIES

The College makes it possible for students to receive a 50% discount on the Logos Bible Software package (www.logos.com). This package contains hundreds of book to help in Bible study and ministry. Other text books can be purchased online from various vendors. The W. H. Griffin Resource Center is also available to assist students with research and study.

VETERANS ASSISTANCE

Any covered individual will be able to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website – eBenefits, or a chapter 31 authorization) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Mid-South Christian College will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

SCHOLARSHIPS

Several scholarships are awarded on the basis of need and commitment to qualified students. The college's administration is prepared to counsel and advise any interested parties in establishing additional scholarship funds. Eligibility for all scholarships is determined by the college scholarship committee. Any outside scholarship is applied before an in-house scholarship.

To qualify for any scholarship a student must complete the Application Procedure: Before June 1st, applicants for all scholarships should submit to Mid-South Christian College the following:

1. All eligible students should fill out the Free Application for Federal Student Aid (FAFSA) and list Mid-South Christian College as your school. <http://www.fafsa.ed.gov/>
2. International Students should submit the College Board International Student Financial Aid Application and send it directly to Mid-South Christian College
3. Applicants for all scholarships should submit an essay entitled, "Why I desire a Biblical higher education, and what I plan to do with it." This essay should be submitted directly to Mid-South Christian College.
4. Applicants for all scholarships should have their church send a letter of recommendation, indicating the student's moral character and commitment to ministry.

Be aware that most of the scholarships are awarded in the fall. None are available for the summer semester. Students should contact the college office for details and applications.

Incoming Freshmen are eligible to receive the scholarship. The estimated value of this scholarship as of January 1, 2019 is \$100 per year.

BCL Key Position Scholarship

The BCL Key Position Scholarship is designated for those prospective students who demonstrate an interest and commitment to the Bachelor of Christian Leadership degree, and who possess gifts, talents and qualities that would be specifically beneficial to the BCL team. To receive this scholarship, the recipient must be accepted as a regular student at Mid-South Christian College, must be registered and taking a full academic load (minimum of 12 semester hours) in the Bachelor of Christian Leadership program. The estimated value of this scholarship as of January 1, 2019 is \$8,800.

Camper of the Week Scholarship

This scholarship, established at Mid-South Christian College, will be awarded annually to those campers named "Camper of the Week" in the Senior Week of summer camp programs of churches in the Mid-South area that are affiliated with the Christian Churches and Churches of Christ. In order to award the scholarship, a camp program must solicit and receive scholarship certificates from the Mid-South Christian College office. To receive this scholarship, the recipient must be accepted as a regular student at Mid-South Christian College, must be registered and taking a full academic load (minimum of 12 semester hours). The student must enroll in Mid-South Christian College for their first semester of college or university level study after their graduation from high school. The value of this scholarship as of January 1, 2019 is \$2,000.

Dependents of Ministers and Missionaries Scholarship

The Dependents of Ministers and Missionaries Scholarship, established at Mid-South Christian College, is designed to provide financial assistance to families that demonstrate a financial need and are in full-time Christian Ministry with a church or ministry listed in the *Directory of the Ministry, A Yearbook of Christian Churches and Churches of Christ*. To receive this scholarship, the recipient must be accepted as a regular student at Mid-South Christian College, must be registered and taking a full academic load (minimum of 12 semester hours). The estimated value of this scholarship as of January 1, 2019 is \$12,800.

Employees and Dependents of MSCC Tuition Waiver

All full-time employees of Mid-South Christian College and their dependents are entitled to a 100% reduction in tuition (not fees, room or board). The value of this scholarship as of January 1, 2019 is \$200 per credit hour.

Immigration Project Scholarship

This scholarship is established by “The Immigration Project” and is recognized by Mid-South Christian College as an effort to encourage the children of first-generation immigrants to the USA to enroll in and complete a college education. The scholarship is NOT intended for foreign students seeking to come to the US on a student visa. Mid-South Christian College will approve up to 5 new recipients of the scholarship each year, beginning with the Fall 2018 semester. To receive this scholarship, the recipient must be accepted as a regular student at Mid-South Christian College, must be registered and taking a full academic load (minimum of 12 semester hours). The student must not already possess a Bachelor Degree or its equivalent from another college or university. The estimated value of this scholarship as of January 1, 2019 is \$12,800.

MLK50 Dream Forward Scholarship

This scholarship, established at Mid-South Christian College and part of the “Dream Forward Scholarship Initiative” launched at the MLK50 celebration in Memphis during 2018, will be awarded annually to one minority student from Memphis, TN. To receive this scholarship, the recipient must be accepted as a regular student at Mid-South Christian College, must be registered and taking a full academic load (minimum of 12 semester hours). The student must enroll in Mid-South Christian College for their first semester of college or university level study after their graduation from high school. The estimated value of this scholarship as of January 1, 2019 is \$25,600.

Spouse Scholarship

The spouse of a full-time student at Mid-South Christian College is entitled to a 50% reduction in tuition (not room or board) if they decide to enroll as a student. The primary registrant will be the student who is enrolled in the greatest number of semester credit hours. The secondary registrant will receive the 50% reduction. The estimated value of this scholarship as of January 1, 2019 is \$13,300.

Work-Study

A limited number of students are employed in the college work-study program. Positions are sometimes available in custodial, maintenance, secretarial, and library work. If interested in the work-study program, the student should fill out a work-study application and complete a scholarship application.

ACADEMIC POLICIES

ACADEMIC POLICIES

Mid-South Christian College admits students of any sex, race, color, national, or ethnic origin to all the rights, privileges, programs and activities generally made available to students at the college. It does not discriminate on the basis of age, sex, handicap, race, color, national or ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Terms, conditions, fees and course offerings set forth in this catalog are in accordance with information available at time of publication. The college reserves the right to change these conditions when necessary. Therefore, this catalog should not be considered a contract between the student and the institution.

Normally, a student will graduate under the requirements published in the catalog in effect at the time of his or her initial enrollment. Students who do not graduate within the allotted time frame for the degree sought may be required to meet the degree requirements published in a later catalog. The Academic Dean has the authority to waive requirements or provide substitute courses where necessary.

ENTRANCE REQUIREMENTS

1. Demonstrated Christian character. You will be required to provide references that will verify that you are a committed Christian having a reputation of appropriate Christian behavior.
2. Students must complete the application procedure.
3. It is the policy of Mid-South Christian College to require all regular degree seeking students to have on file either
 - a) a high school transcript showing they have completed the twelfth (12th) grade
 - b) a notarized transcript showing completion of coursework through the twelfth (12th) grade (Note: all home schooled applicants must submit a [Home School Self-Certification Form](#) along with their notarized transcript signed by their legal parent or guardian)
 - c) a GED certificate
 - d) a transcript from another college showing they have previously met one of the above requirements
4. All applicants below the age of 25 must submit an acceptable ACT score based on the following criteria:
 - A. Applicants are eligible for full-acceptance if they meet either 1) or 2)**
 - 1) Have a High School GPA of 2.25, and an ACT composite score of 18, or
 - 2) Meet the requirements based on the following sliding scale:

HOW TO USE THIS SCALE	
Follow the line reflecting your ACT composite score across the scale to determine the minimum GPA you must have. <i>For example, a student with an ACT composite score of 16 would need a High School GPA of 2.75 or higher in order to be eligible for full-acceptance.</i>	
IF your ACT composite score is . . .	THEN your minimum cumulative High School GPA must be . . .
17	At least 2.50
16	At least 2.75
15	At least 3.00

B. Applicants who do not meet 1) or 2) in the above criteria may be eligible for conditional acceptance under the MSCC Special Student Status according to the following terms:

- Students accepted under Special Student Status may have limitations placed on the number of credit hours for which they may enroll
- Students will be removed from Special Student Status by achieving an accumulative 2.0 GPA for two consecutive semesters, or by achieving a 3.0 GPA for one semester
- Student may remain enrolled on Special Student Status as long as they continue to meet established minimum academic standards required of all students

C. Research has shown that students who successfully pass their freshman year and go on to be sophomores have the greatest likelihood of completing a degree.

- Though we have an academic standard that applicants are required to meet, we also recognize that some students have potential for success, though it may not be evident through text scores and grade point average. If you do not meet the requirements listed above, we encourage you to take one of the following courses of action:
 - Retake the ACT to obtain a higher score. Admissions will record the highest composite score earned on the ACT
 - Enroll in a community college and take general studies courses (e.g., History, English Composition, Speech, etc.) until achieving an acceptable transfer grade from another college. Please note that Remedial Courses are not eligible for transfer credit

5. Students who transfer to Mid-South Christian College from a recognized institution of higher learning, defined as an accredited institution and/or one recognized by the ED, (generally not correspondence courses), will find their credits receive careful consideration from the Academic Dean for acceptance as meeting the requirements in place of comparable courses offered at MSCC. Courses eligible for transfer must reflect a grade of C- or higher. Criteria for course substitution eligibility is based on the institution from which it is granted, the credentials of the instructor, and an examination of the course requirements as found on the published syllabus for the class.

6. No certificate or degree will be granted with less than 30 semester hours of work at Mid-South Christian College. Except in cooperative programs with other institutions, the last 30 semester hours of a student's program must be taken here.

7. A maximum of twenty-five percent of a student's total program may be earned through non-traditional educational processes such as College Level Examination Program [CLEP], Advanced Placement (AP) exams, and/or other certified training (e.g., that earned in any branch of the U.S. Military and Coast Guard). All such credit must be approved by the Academic Dean. CLEP and AP testing available off campus only. Applicants are responsible for all costs associated with taking either of these types of exams.

COLLEGE LEVEL EXAMINATION PROGRAM [CLEP]

- A score of 50 or higher on College Level Examination Program [CLEP] exam may be accepted in place of required General Studies courses comparable to those required by MSCC
- The following chart displays which MSCC courses may be fulfilled by successful CLEP exams:

CLEP	MSCC Courses Fulfilled
Any History or Social Sciences exam	History elective or requirement
Any Foreign Language exam	Foreign Language elective or requirement
Any Literature exam	Literature elective or requirement
Any Composition exam	English Composition elective or requirement

ADVANCED PLACEMENT (AP) EXAMS

- A score of 6 or higher on an AP Exam in any of the following categories will be granted 3-hours of college credit
- Applicants who earn a score of 4 or 5 are encouraged to take the comparable CLEP examination (as explained above)
- The following chart displays which MSCC courses may be fulfilled by successful AP Exams:

AP	MSCC Courses Fulfilled
Any History or Social Sciences exam	History elective or requirement
Natural Sciences or Biology exam	Science elective or requirement
Any Foreign Language exam	Foreign Language elective or requirement
Any Literature exam	Literature elective or requirement
Any Composition exam	English Composition elective or requirement

8. Re-entries. After having been out of MSCC for two years, a former student must apply for re-admission. A former student who has not taken classes for two years must follow the catalog in use at the time of re-entry.

APPLICATION PROCEDURES

Persons who wish to apply for admission to Mid-South Christian College should follow this procedure:

1. Visit the College website: www.midsouthchristian.edu
2. Complete the online application form.
 - Applicants are required to read the Code of Conduct, attached to the application form, and respond with their willingness to follow the Code of Conduct if admitted as a student at Mid-South Christian College.
3. Submit up to three email contacts for online references or download the reference letter form from the application. The reference forms are to be completed by a: Spiritual reference, Academic reference, and Personal reference.
 - Once the application is submitted, reference letters will be sent to those emails provided.
 - If emails are not provided, the applicant will need to download the reference letter and distribute the three reference forms to the appropriate people and ask them to return these forms directly to the college.

4. Have your high school transcript and transcripts of any previous college work sent to Mid-South Christian College.

- A transcript request form will be sent to the applicant once all three references have been submitted. It may be reproduced if more than one is needed.
- Non-high school graduates should provide documentation of high school equivalency or GED.
- Home School students need to provide a **Home School Self-Certification Form** along with a notarized transcript.
- International Students: The applicant must submit official copies to a NACES-accredited credentialing company <http://www.naces.org> [National Association of Credential Evaluation Services] and have a general or basic evaluation done from that organization. There is a cost to the student for this assessment. That organization must send the original documents, along with their evaluation, to MSCC. The applicant should consider sending all the documents in at once to avoid multiple charges from that company to process the records.

5. All applicants under the age of 25 who wish to enter a certificate or degree program but have not earned 12 semester hours of college level credit must take the American College Test (ACT) and have the results sent to Mid-South Christian College. The ACT Code number for MSCC is 2230. Contact your high school counselor or the Mid-South Christian College Office of Admissions for information about the ACT.

All admissions materials and information submitted on your behalf becomes the property of Mid-South Christian College and are not returnable. Application materials will be considered valid for a period of two years from the date of acceptance by the Admissions Committee. If a student does not begin classes during the two years of acceptance, a new application with all materials will need to be submitted.

WHEN TO APPLY

A student may make application for admission at any time. The Admissions Committee cannot act upon your application, however, until all materials are received. Materials received too late to be processed before the effective date of enrollment may result in a late registration charge. Students who have not completed all entrance requirements and procedures will be enrolled as special students for one semester.

Special students are permitted to take courses, but no credit can be applied toward a certificate or degree, or transferred to another institution until all admission requirements and procedures are complete.

REGISTRATION

Students receive personal attention in planning their course of study. Students are considered full-time when carrying 12 or more credit hours per semester. A normal load is 16-18 credit hours per semester. Courses in excess of the normal load must receive special permission from the Academic Dean.

DUAL ENROLLMENT

With prior knowledge and consent of the Academic Dean, a student may enroll in another college carrying a partial class load while carrying a partial class load at Mid-South Christian College. The combined course load should not generally exceed 16-17 semester hours.

LATE ENROLLMENT

Late enrollment may be permitted under special circumstances. A fee is charged. Students are not permitted to register for credit after the second week of the semester calendar. Late enrollees are held responsible for all course work missed.

COURSE CHANGES OR WITHDRAWALS FROM COURSES

Careful consideration of course selections and scheduling is urged during registration. Students who desire to make course changes must do so within the first two weeks of the semester. In order to withdraw from a class or change classes, a student must secure written approval from the registrar and from the class instructor. Withdrawal from a class is permitted without penalty (except financial as outlined in the financial section of the catalog) during the first three weeks of the semester. After three weeks, the grade WP or WF will be given and entered on the student's transcript. After 6 weeks, a student is not permitted to change a class from credit to audit. After 10 weeks, a student is not permitted to withdraw passing from any course. Withdrawal from a course without written approval from both the registrar and the instructor results in an "F" grade.

WITHDRAWAL FROM THE COLLEGE

A student may not withdraw from the college without notifying the Dean of Students, Academic Dean or the President. The student is expected to meet all obligations involving his instructors, the Business Manager, Librarian and Registrar. Failure to notify the college of withdrawal may result in the student forfeiting any refunds due.

CLASS ATTENDANCE

Under guidelines from the Tennessee Higher Education Commission [THEC] and the Association for Biblical Higher Education [ABHE] 1 credit hour of college work involves 15 class periods of 50 minutes each. These may be lumped together into two or more periods meeting on the same day. Normal semesters run fifteen weeks while concentrated courses will reduce the number of weeks by increasing the number of class sessions meeting during the week or weekend. Final exams are given outside of the required 15 weeks in a variety of formats determined by the professor.

Regularity in class attendance is considered absolutely essential to the proper completion of a course. Absences caused by college sponsored activities are the only excused absences. All unexcused absences will result in the lowering of grades and may result in additional work.

After absences equal to three weeks of class time the student must petition the faculty to remain in the class as a credit student. For example, a student enrolled in a two semester hour class would have to petition the faculty after being absent for six class hours. If the class met for two, one hour sessions per week, that would be six absences. However, if the class met for one, two hour session per week, that would only be three absences. Absences in excess of 25% of the total class hours will result in failure of the course.

A student is considered tardy if he arrives in class after the instructor begins to call the roll or has begun class or if he leaves before the class hour is completed. Three (3) tardies are counted as one absence.

Absences immediately preceding or following a school holiday will be counted as two absences.

CHAPEL ATTENDANCE

Regular participation in chapel services is expected of all students living on campus. It is also expected of all students having a class the day of chapel. Attendance is taken along with a report on Sunday worship attendance. This is an important part of our week as a college family as we draw near to God together in worship.

CLASS ASSIGNMENTS AND INCOMPLETE GRADES

All class work is to be completed as assigned. No work will be accepted after the day of the final examination unless the student has filed for an extension before that time. An “Incomplete Request Form” is available in the Academic Dean’s office upon the payment of a \$25.00 fee. It is the student’s responsibility to request the approval of the instructor and the Academic Dean, secure the form, and pay the fee in the office. This form then allows the student an extension of 30 days in which to complete all class assignments. Failure to complete the work within that extension will result in a grade of “F”. This provision is not a guaranteed right, but is available to students with a legitimate reason for not having completed their class assignments on time (such as due to illness, for example).

Announced tests and examinations should be taken when scheduled. Failure to do so will result in a late fee of \$5.00 which must be paid before the test is administered.

GRADING POLICIES

A student’s grade in each course is determined by the instructor of that course. To determine the final grade, the instructor considers class attendance, participation in class, required readings, written assignments, tests and examinations.

GRADING SYSTEM

The following grading system is used at Mid-South Christian College:

Grade	Evaluation	Quality Points
A+ 98-100	Superior Work	4.00
A 94-97	Superior Work	4.00
A- 90-93	Superior Work	3.67
B+ 87-89	Above Average Work	3.33
B 84-86	Above Average Work	3.00
B- 80-83	Above Average Work	2.67
C+ 77-79	Average Work	2.33
C 74-76	Average Work	2.00
C- 70-73	Average Work	1.67
D+ 67-69	Below Average Work	1.33
D 64-66	Below Average Work	1.00
D- 60-63	Below Average Work	.67
F 0-59	Failing Work	0.00
WF -	Withdrawal while failing	Not computed
WP	Withdrawal while passing	Not computed
I	Incomplete (if not completed becomes an F)	
IP	Class in progress	Not computed
P	Passing	Not computed
S	Satisfactory	Not computed
U	Unsatisfactory	Not computed

GRADE POINT AVERAGE

For each semester hour of credit with a grade above “F”, grade points are given as shown above. The grade point average is computed by multiplying the numerical value of the grade earned in a course by the number of credit hours of the course attempted. If a course is failed and repeated, both grades are calculated in the grade point average. An example of a grade point average calculation is shown below. A student has earned the following grades during one semester:

Course	Grade		Grade Points		Credit Hours		Grade Pts. Earned
GB101	A	=	4	X	3	=	12
TH101	B	=	3	X	3	=	9
GB103	B	=	3	X	3	=	9
EN101	C	=	2	X	3	=	6
			Total Hours	=	12		36

Grade Point Average = 36 divided by 12 = 3.00

Grade Point Averages are used to determine scholastic status and are the basis for graduation and honors. Students working toward a degree are considered academically deficient when their semester GPA or their cumulative GPA falls below 2.00. Non-degree students are academically deficient when their GPA falls below 1.70.

ACADEMIC RESTRICTION

A student who is academically deficient following any semester will have his course load reduced the next semester according to the following schedule:

If your GPA was	Your course load will be reduced by:
1.67- 1.99 (C-)	3 hours
1.33 - 1.66 (D+)	4 hours
1.00 - 1.32 (D)	5 hours
0.67 - 0.99 (D-)	6 hours
Below 0.67 (F)	8 hours

If a student's GPA improves he or she will be permitted to increase the course load the following semester.

ACADEMIC PROBATION AND DISMISSAL

In addition to a student's course load being governed by the grade point average of the previous semester, continued deficiency can result in academic dismissal.

A student who is academically deficient for two successive semesters will be put on academic probation. A student who is academically deficient for three successive semesters will be subject to academic dismissal. A student dismissed for academic reasons will not be permitted to register for classes for one semester, after which he must petition the faculty to be reinstated.

During a student's first four semesters he will not be placed on probation or dismissed if he improves his cumulative GPA according to the following scale:

After 16 Semester Hours	1.50
After 32 Semester Hours	1.70
After 48 Semester Hours	1.90
After 64 Semester Hours	2.00

SATISFACTORY ACADEMIC PROGRESS

Satisfactory Academic Progress (SAP) is monitored for all students at MSCC whether they receive financial aid or not. Students who apply to MSCC are obligated to make satisfactory academic progress toward their degree or certificate. Students enter into a contract or agreement to attend class, complete their assignments, seek tutorial assistance if necessary, prepare for exams, and complete courses with a passing grade.

Students who apply for either Federal or State aid (including loans) to attend MSCC are obligated both to the institution and any agency providing loans, grants, or scholarships to fulfill the above obligations and make every effort to ensure their educational success. In order to receive aid a student must meet the requirements of any agency or institution providing assistance.

Satisfactory Academic Progress at Mid-South Christian College has two components: qualitative and quantitative. Satisfactory Academic Progress means meeting the requirements for both components as outlined below, and being enrolled in an eligible program.

The college is committed to monitoring SAP to both assist the student in successful completion of their program and advise them if their progress puts them in jeopardy of academic probation, dismissal or loss of financial aid.

Students' academic progress will be checked at the end of each semester. The student must maintain the following standards in order to be considered within Satisfactory Academic Progress:

- Qualitative requirements:
 - A student with less than 32 credit hours must have a cumulative grade point average (GPA) of at least 1.50.
 - A student with 32 credit hours or more, but less than 48 credit hours must maintain a cumulative GPA of at least 1.70.
 - A student with 48 credit hours or more, but less than 61 credit hours must have a cumulative GPA of at least 1.90.
 - A student with 61 credit hours or more must have a cumulative GPA of at least 2.0.
- Quantitative requirements:
 - A student must have completed 75% of the credit hours attempted. For example, if after the third semester the student has attempted 48 credit hours and has completed only 34 credit hours, the quantitative completion rate is 71%, and the student would be placed on warning even though the student may have a cumulative GPA of 2.320.
 - A student must complete a program within an established time frame. Financial aid will be awarded according to the number of the program's credit hours multiplied by 150%. A student will lose eligibility for financial aid for all future semesters after the semester in which the maximum hours allowed are exceeded. For example, the BCL degree requires 135 credit hours; therefore, the student could receive federal aid for up to 202 credit hours.

At the end of a semester, when a student's academic progress is checked, a student who does not maintain the above standards will be placed in the following categories:

1. **FINANCIAL AID WARNING:** The first semester after it has been determined the student does not meet the minimum requirements for Satisfactory Academic Progress the student will be placed on FINANCIAL AID WARNING. Warning means the student will be eligible to receive financial aid, but it also means the student must complete the required percentage of hours with the required GPA by the end of the semester on warning.
2. **FINANCIAL AID SUSPENSION:** At the end of the semester the student has been placed on warning, if he or she still does not meet the minimum requirements for Satisfactory Academic Progress, the student will be placed on FINANCIAL AID SUSPENSION, which means the student will not be able to receive any financial aid until they again meet the required completion rate and GPA standards as outlined above.
3. **FINANCIAL AID PROBATION:** When a student is placed on FINANCIAL AID SUSPENSION they may file an appeal. If the appeal is granted, the student will be placed on FINANCIAL AID PROBATION. If the appeal is not granted the student will remain on FINANCIAL AID SUSPENSION.

Appeal Procedure

At the time a student is placed on financial aid suspension, the student may appeal the condition in writing to the Director of Financial Aid. Appeals must be based on unusual circumstances such as long-term illness, death or illness of a family member, etc. The Financial Aid Committee will review the student's

file and the student will be notified of the decision. Letters of appeal must be submitted by the date printed on the Suspension Notification Letter.

If the student believes their appeal was not granted due consideration and was rejected without foundation, the student may file a written appeal to the President of the College. The President may agree with the Financial Aid Committee and the student will remain on FINANCIAL AID SUSPENSION, or he or she may grant the appeal and the student will be placed on FINANCIAL AID PROBATION.

A student placed on FINANCIAL AID PROBATION will meet with their Academic Advisor to create a Personal Academic Plan, which if followed by the student, will specify the point in time at which the student will be able to meet MSCC's Satisfactory Academic Progress Policy. While on the Personal Academic Plan the student will be evaluated against the plan's requirements, not the regular SAP requirements, and will be eligible for Financial Aid. If the student fails to meet the requirements of the Personal Academic Plan at the end of any semester, the student will be placed on FINANCIAL AID SUSPENSION.

Repeated Courses

The first time a student repeats a course, the new grade replaces the previous grade and the hours attempted. Each subsequent attempt of a course does not replace previous attempts, and is counted toward both the GPA and the completion rate. Exception: When calculating hours attempted for the 150% requirement, credits from all attempts must be included.

Withdrawal from Courses

Students withdrawing from a class in weeks 4 through 10 will be given a "WF" or "WP" grade. The class will count only as hours attempted. No course can be dropped after ten weeks of class.

Incomplete Grades

Grades of "I" (Incomplete) are only issued temporarily at MSCC. After 30 days the grade becomes an "F".

Transfer Students

Academic transcripts from all other colleges attended will be included when evaluating satisfactory academic progress. The student will be placed on financial aid satisfactory progress or probation based upon the review. If a student's progress is not satisfactory, the student will be notified.

PROGRESS REPORTS

Accurate records are kept by the college on the progress being made by students. Active students can view their grades online at our Populi portal (<https://mscc.populiweb.com/>) which requires a username and password. Besides viewing the semester grade some classes also allow the student to view the grade book for each assignment in the class. Grade reports and unofficial transcripts can be printed out for student information or to be passed along to parents, insurance, employer or other parties requesting the information from them.

GRADUATION REQUIREMENTS

Mid-South Christian College will award a certificate or degree to any student who has:

1. Demonstrated Christian Character and conduct of such quality that the college can heartily recommend the graduate to the Christian public.
2. Successfully completed all course requirements within his/her curricular program and achieved a cumulative grade point average of 2.00 (C) for a degree or 1.70 (C-) for a certificate.
3. Successfully completed the appropriate number of credit hours for the certificate or degree. As a general rule, the student must complete his last 30 semester hours at Mid-South Christian College.
4. Students will be required to meet the graduation requirements outlined in the official MSCC Catalog at the time of their initial enrollment. If a student withdraws and re-enrolls at a later time, the MSCC Catalog in effect at the time of re-enrollment will determine requirements needed for graduation. A student who graduates with a two year certificate or degree and then decides to continue toward completion of a four year degree will be required to meet the catalog requirements in effect four years prior to the completion of the four year program. Students who take longer than six years for a normal four year degree, longer than three years for a normal two year program or longer than two years for a normal one year certificate will be required to meet the graduation requirements in effect in the first year of the normal time frame for the program from which they wish to graduate.
5. As part of the final semester before graduation a candidate will submit a written reflection paper upon the Academic Core Learning Threads to assess both the student's progress and development in these areas and the institution's effectiveness in providing learning opportunities in these areas.
6. Satisfactorily completed the requirements for Christian Service and/or Internship.
7. Met all financial obligations to the college.

GRADUATION HONORS

Summa cum laude

Students will be graduated “with highest honor” who have earned a cumulative grade point average of 3.90 – 4.0.

Magna cum laude

Students will be graduated “with high honor” who have earned a cumulative grade point average of 3.70 – 3.89.

Cum laude

Students will be graduated “with honor” who have earned a cumulative grade point average of 3.50 – 3.69.

Graduation honors will be computed on all grades earned at MSCC through the next to the last semester prior to graduation (i.e., excluding transfer grades which will not be computed for Graduation Honors), with a minimum of thirty (30) hours required for Honors consideration.

Valedictorian and Salutatorian honors will be computed on all grades earned at MSCC through the next to the last semester prior to graduation (i.e., excluding transfer grades which will not be computed for Graduation Honors), with a minimum of sixty (60) hours required for Honors consideration.

HONOR STUDENTS

Full-time students with a grade point average from 3.75-4.00 for a semester are named to the President's List. Those with a grade point average from 3.50-3.74 are named to the Dean's List. Honors students will be recognized at the first MSCC Chapel Service the semester following their achievement.

CLASSIFICATION OF STUDENTS

CLASSIFICATION	SEMESTER HOURS CREDIT
Freshman	less than 30
Sophomore	30-60
Junior	60-90
Senior	more than 90

A full-time student is any student enrolled in 12 semester hours or more. A part-time student is any student enrolled in less than 12 semester hours.

TRANSFER OF CREDITS

In compliance with Tennessee State Legislation SB3789/HB3857 we provide the following statement which must be signed by the student at the time of first enrollment and retained as part of the student's permanent record.

“Credits earned at MID-SOUTH CHRISTIAN COLLEGE may not transfer to another educational institution. Credits earned at another educational institution may not be accepted by MID-SOUTH CHRISTIAN COLLEGE. You should obtain confirmation that MID-SOUTH CHRISTIAN COLLEGE will accept any credits you have earned at another educational institution before you execute an enrollment contract or agreement. You should also contact any educational institutions that you may want to transfer credits earned at MID-SOUTH CHRISTIAN COLLEGE to determine if such institutions will accept credits earned at MID-SOUTH CHRISTIAN COLLEGE prior to executing an enrollment contract or agreement. The ability to transfer credits from MID-SOUTH CHRISTIAN COLLEGE to another educational institutions may be very limited. Your credits may not transfer and you may have to repeat courses previously taken at MID-SOUTH CHRISTIAN COLLEGE if you enroll in another educational institution. You should never assume that credits will transfer to or from any educational institution. It is highly recommended and you are advised to make certain that you know the transfer of credit policy of MID-SOUTH CHRISTIAN COLLEGE and of any other educational institutions you may in the future want to transfer the credits earned at MID-SOUTH CHRISTIAN COLLEGE before you execute an enrollment contract or agreement.”

MSCC reminds the student that the receiving institution always controls transfer of credits from one institution to another. Therefore it is not possible for one institution to state what another institution will do. Past experience gives some indication of what may be expected in the future.

Generally credits from Mid-South Christian College are accepted by other Bible Colleges. Johnson Bible College in Knoxville, TN especially has expressed a readiness to transfer credits from MSCC into their programs.

Generally four-year graduates from MSCC are accepted into degree programs at Graduate Seminaries. In some cases they have been accepted into graduate programs of state universities.

While a state university may accept a Bible College degree as a basis for graduate study, they are less likely to accept Bible College credits toward a baccalaureate degree. A student who plans to take some Bible College work with the view to transferring that work to a secular college would be wise to consult the receiving institution.

CERTIFICATE AND DEGREE INFORMATION

Academic Core Learning Threads

Mid-South Christian College uses the following seven Academic Core Learning Threads to establish course objectives and evaluate student learning outcomes.

Relevant Ministry -- Demonstrate competence as servant leaders that meet the real needs of our current world through a variety of ministry roles in local congregations as well as the mission fields of the world.

Individual Giftedness -- Demonstrate an understanding of their unique giftedness as well as that of others and how that giftedness will be used to serve God in community with others.

Biblical Exposition -- Demonstrate competence in the research, interpretation and application of the inspired Word of God both the Old and New Testaments at an undergraduate academic level of scholarship.

Public Communication -- Demonstrate competence in effective public communication through various forms including listening, preaching, teaching, dialoging and writing.

Spiritual Development -- Demonstrate personal spiritual growth and devotion in relationship to God which results in increasing transformation into the likeness of the mind, attitudes and actions of Christ.

Cross-Cultural Capability -- Demonstrate sensitivity and skill at relationship building, communication and discipleship among the varied cultures of the United States and the world.

Reasoning Ability -- Demonstrate competence in the mental skills of thought, reasoning, reflection, analysis and discovery in seeking God's truth and application for today's cultures from a Biblical worldview.

CERTIFICATE PROGRAMS

Mid-South Christian College offers the following Certificates:

1 year, 33 semester hours - Certificate in Bible

2 years, 66 semester hours - Certificate in Christian Ministry

CERTIFICATE IN BIBLE

The Certificate in Bible is awarded upon the completion of 33 semester hours. This program is designed for those students who desire the foundational education that a Bible college can provide, but who plan to pursue another course of study not currently offered at Mid-South Christian College.

Courses taken in this program may be applied to a more advanced degree at Mid-South Christian College should the student decide to pursue further studies. Since the program is made up primarily of Biblical studies the student should not expect to be able to transfer many credits to a liberal arts college or university. A student who desires to complete the requirements for this Certificate in one academic year must indicate this desire at the time of enrollment. A student may choose to spread out the completion of this program over several years of part-time class work.

The Academic Core Learning Threads which apply to the Certificate in Bible include:

- Biblical Exposition
- Spiritual Development

CERTIFICATE IN CHRISTIAN MINISTRY IN BIBLE / PREACHING

The Certificate in Christian Ministry is awarded upon the completion of 66 semester hours. This program is designed for mature students who have past education and experience, which would compensate for a longer program. It will provide adequate preparation for such a student who wants to engage in a bi-vocational ministry or to serve after retirement from another vocation. It is not recommended for the younger student who plans to spend his life in the preaching ministry. However, the credits earned in this program could be applied toward a degree if the student should decide to pursue further studies.

OBJECTIVES OF THE CERTIFICATE IN CHRISTIAN MINISTRY IN BIBLE / PREACHING

Upon the completion of this program, the student shall:

1. Demonstrate an increased knowledge of the Bible and Christian Doctrine.
2. Demonstrate his ability to use verbal and exegetical skills in an oral presentation of the gospel in an individual and group situation.
3. Demonstrate his ability to perform the traditional duties of a Christian minister by officiating at regular and special services of the church, weddings and funerals, and administering the program of a local congregation.
4. Demonstrate by attitude, study and work habits his commitment to the preaching ministry and the local church as God's means of proclaiming redemption in Christ.
5. The Academic Core Learning Threads which apply to the Certificate in Christian Ministry include:
 - Relevant Ministry
 - Individual Giftedness
 - Biblical Exposition
 - Public Communication
 - Spiritual Development
 - Cross-cultural capability
 - Reasoning Ability

STRUCTURE OF DEGREE PROGRAMS

Every student in a four-year degree program must complete at least 42 credit hours of course work from the Biblical and Theological Studies Division and 46 credit hours of course work from the General Studies Division. In addition, a minimum of 45 credit hours must be taken in courses from the Christian Ministries Division. The Bachelor of Christian Leadership degree has a closely-planned program based on team building and practical, experiential learning under the guidance of mentors. Each BCL team works toward the launching of a new ministry outreach before they graduate. The Bachelor of Christian Ministry and Bachelor of Christian Education degrees allow for a concentration beyond the core program. The hours in the Christian Ministries Division may be concentrated in one ministry area or split into two ministry areas, if granted written approval by the Academic Dean. MSCC uses the term “Concentration” where some institutions use the term “Major.” The Christian Ministries Division includes concentrations in Christian Education (which includes Youth/Student Ministries), Missions and Church Planting, and Preaching and Pastoral Ministries. In addition, each student will be required to complete ministry practicum/internship requirements of at least 6 credit hours through hands-on involvement in some type of regular ministry role under the supervision of a mentor. These ministry opportunities can vary widely from assisting in a support role of a church-related ministry to pastoring a congregation. With the exception of those in the BCL program, all students wishing to inquire about internship opportunities should seek guidance from the Director of Student Services. To receive credit, all internships must receive written approval from the Director of Student Services prior to their inception date.

Associate Degree students must complete 22 semester hours from the Biblical and Theological Studies Division, 22 semester hours from the General Studies Division, and 22 semester hours from the Christian Ministries Division. Nine of the 22 semester hours must be concentrated in one ministry area. Associate Degree students are also expected to complete ministry internship requirements of four credit hours.

Students who wish to be part of the Bachelor of Christian Leadership [BCL] program must apply to that program at the time of entrance into the college. Four-year degree students in all other programs must choose the area or areas of ministry concentration by the beginning of their sophomore year. Associate Degree students should choose their area of ministry concentration by the beginning of their second semester. A faculty advisor will work closely with each student to help him/her select courses that will meet the program requirements.

The Academic Core Learning Threads which apply to the Associate and Bachelor Degrees include:

- Relevant Ministry
- Individual Giftedness
- Biblical Exposition
- Public Communication
- Spiritual Development
- Cross-cultural capability
- Reasoning Ability

ASSOCIATE DEGREES OBJECTIVES

Programs offered:

ASSOCIATE IN CHRISTIAN MINISTRY IN BIBLE / PREACHING

ASSOCIATE IN CHRISTIAN MINISTRY IN BIBLE / MISSIONS

ASSOCIATE IN CHRISTIAN MINISTRY IN BIBLE / CHRISTIAN EDUCATION

Associate Degree programs are not designed to provide training for full-time leadership roles in ministry. They are designed for students who want to work in a supportive or assistant's position, or who want to combine training for ministry with another vocation.

Upon completion of an Associate Degree the student shall:

1. Demonstrate an increased knowledge of the Bible and Christian doctrine.
2. Demonstrate a basic knowledge of the principles and methods involved in his chosen area of ministry.
3. Demonstrate skills necessary to assist leaders in his chosen area of ministry.
4. Each of the seven Academic Core Learning Threads are applied to the Associate Degrees.

The credits earned in an Associate Degree will apply towards a Bachelor's degree if the student later decides to continue his education at Mid-South Christian College.

No student will be awarded an Associate Degree who has already earned a Bachelor's Degree. A student who expects to earn an Associate Degree in two years should express his desire as early as possible, but in no case later than the beginning of his second year.

Following is a list of required courses for all candidates for an Associate Degree. The core program is the same regardless of the area of ministry chosen by the student. Nine semester hours must be chosen from one of the following ministry areas: Christian Education/Youth Ministry, Church Growth/Missions, or Preaching/Pastoral Ministry. The student's Faculty Advisor and Academic Dean must approve these ministry area courses.

BACHELOR OF CHRISTIAN LEADERSHIP

The Bachelor of Christian Leadership [BCL] is an innovative program of Christian ministry preparation consisting of university level courses taught in a variety of delivery formats, such as lectures, laboratories, practicums, seminars, and online courses. It is a cohort program where students become part of a ministry team, studying and working together over the course of four years. Students will acquire not only the academic skills, but also the practical and team building experience necessary for Christian ministry in today's church.

The Bachelor of Christian Leadership program is specifically designed to fulfill the stated mission of facilitating the academic, practical and spiritual preparation of Christian ministers. The program includes academic elements, Biblical and spiritual preparation, as well as hands-on, practical experience in the Christian ministry. All seven of the MSCC Academic Core Learning Threads are covered in this program.

The Bachelor of Christian Leadership program is divided into four principal components, each becoming the focus of one academic year. During year one the focus is on Team Dynamics, year two focuses on Planning and Project Management, year three deals with Christian Community Outreach, and year four will concentrate on Church and Ministry Formation. During the four year program students will actually participate in a church planting endeavor.

The program begins with basic Bible study tools and learning to work with others in a team ministry setting. As the student progresses through the program courses become more demanding academically. Skills in ministry, strategic planning and project management move them toward the launching of a ministry program in a local community before graduation. SS1026 Introduction to MSCC not only introduces the student to college life but also serves as a pre-assessment benchmark for the individual student. BS4026 Senior Capstone laboratory is a time to assess the student's experience at MSCC and verify that learning has met our minimum expectations as stated in our seven Academic Core Learning Threads [ACLT].

Students who successfully graduate from this program will receive a Bachelor of Christian Leadership degree from Mid-South Christian College. They will be adequately prepared academically, spiritually, and practically to lead a church planting effort, become employed in a church staff position, or serve the Christian church as a missionary.

Course descriptions for each course can be found at the end of this catalog.

COMBINATION PROGRAMS

Students who are interested in combining Bible College training with a vocational or technical program will find a wide range of opportunities in Memphis, Tennessee and Mid-South Christian College. Southwest Tennessee Community College and Northwest Mississippi Community College are reasonably close to MSCC. Mid-South Christian College will work with the student to design a combination program to meet the student's career goals.

Some programs available through these secular institutions include: Accounting Technology, Hotel and Restaurant Management Technology, Funeral Services Technology, Administrative Support Services Technology, Respiratory Care Technology, Marketing Management Technology, and Practical Nursing. Courses are available in Accountancy, General Business, Computer Information Systems, Office Administration, Business Education, Elementary Education, Secondary Education, English, General College, Pre-Law, Psychology, Sociology, and Science.

In three years, a student can earn an Associate Degree in one of the above disciplines and at the same time earn either a Certificate in Bible or an Associate Degree from Mid-South Christian College. The credential earned at MSCC during that time depends on the student's program at the secular institution. MSCC will work with the student in designing the best possible program.

COURSE DESCRIPTIONS

COURSE DESCRIPTIONS

The curriculum of Mid-South Christian College is separated into three divisions:

Division I - Biblical and Theological Studies

Division II - General Studies

Division III - Christian Ministries / Professional Studies

Mid-South Christian College operates on the semester system. Semesters are 15 weeks in length. Class sessions are 50 minutes in length. Academic credit is stated in terms of semester hour credit. A semester hour is one 50-minute class session each week for 15 weeks. The number in parenthesis following a course title is the number of semester hour credits granted for successful completion of the course. Some courses will be concentrated so that the 15 class sessions may be covered in a shorter period of time such as four weekends of five consecutive days in a week.

The curriculum is also divided into lower level and upper level courses. Lower level courses are numbered 1000 or 2000 and are for Freshmen and Sophomores. Upper level courses are numbered 3000 and 4000 and are for Juniors and Seniors.

Each course number is prefixed with an abbreviation, which indicates the area of study. The following abbreviations are used:

AP	Apologetics
BS	Behavioral Science
BU	Business
CE	Christian Education
CG	Church Growth / Missions
CH	Church History
EN	English
ES	Español [Spanish]

DIVISION I - BIBLICAL AND THEOLOGICAL STUDIES

A. GENERAL BIBLE

GB1011 Introduction to the Bible (3)

This course provides a general introduction to the whole Bible as a foundation for future OT & NT courses. Emphasis is placed upon understanding God's Word through the lens of redemptive history: as one story with a single, divine author about His own pursuit of those made in His image, to redeem them for His own glory through the life, death, and resurrection of the story's main character and hero, Jesus Christ. Additional emphasis is placed on gaining a foundational understanding of the doctrine of the Word of God.

GB1012 Hermeneutics (3)

This course introduces the student to a sound methodology of Bible interpretation and tools for studying the Bible, including considerations of the historical-cultural, literary, theological, and redemptive-historical contexts of a given passage of Scripture. Emphasis is placed on responsible, biblically faithful means of arriving at the application of the passage to one's own life and the lives of those he/she leads and teaches in various ministry contexts.

B. OLD TESTAMENT

OT2012 Pentateuch (3)

This course is designed as an introduction to the first five books of the Bible (*Genesis –Deuteronomy*) with emphasis upon their literary structure and content, their historical & cultural setting & background, and their theological message, both for Biblical Israel and for the Church today.

OT2313 OT Historical Books (3)

This course is designed to be a general survey of the key people, events, & chronology described in the Historical Books of the Old Testament (*Joshua – Esther*). Its focus is on the historical and cultural background of the texts, on their literary composition & structure, & on their theological meaning and application, both for Biblical Israel and for the Church today.

OT2315 OT Prophetic Books (3)

This course is designed to explore each of the OT Prophetic books in their *historical, cultural, & social* contexts – & in their *literary & theological* relationship to the rest of Scripture. The academic goal is to produce theological interpretations & applications of the material covered useful for the student's teaching ministry.

OT3413 Psalms and Wisdom Literature (3)

This course is designed to study the poetry & wisdom books of the Old Testament (*Job, Psalms, Proverbs, Ecclesiastes, & Song of Songs*) including the nature of Hebrew poetry & wisdom literature, their forms, settings, and content, along with their historical backgrounds and theological meaning for Biblical Israel and for the Church today. Students will also learn to exegete various types of psalms and wisdom passages.

OT4061 Exegesis of Selected Old Testament Books (2)

This course is designed as an intensive exegetical class on one OT book with emphasis being given to an in-depth study of its historical, literary, and theological interpretation.

OT4062 Independent Readings in Old Testament Studies (1)

The course is designed as an intensive, independent study of one or more OT books with emphasis being given to an in-depth study of their historical, literary, and theological interpretation. Students should anticipate reading approximately 500-pages from an approved bibliography for each hour of course credit.

OT4063 Research Paper in Old Testament Studies (1)

The course is designed to allow students to produce a written research paper on the basis of their readings in OT 493. Students should anticipate writing approximately 15-pages for each hour of course credit.

PM3034 Expository Preaching and Teaching (3)

Designed so the student will learn how to communicate, in a homiletical form, the truth contained in a selected passage of scripture, this course will stress scripture analysis, exposition, and modern application.

PM3035 Contemporary Preaching (3)

PM3042 Adult Discipleship (1)

PM3061 Problems in Pastoral Counseling (2)

(A continuation of PM3437)

An advanced course in Pastoral Counseling, this study is aimed at helping the student learn how to handle difficult counseling situations. The student will learn when referrals are necessary. Helpful Christian and/or government services in the field of counseling will be reviewed. (Prerequisite course: PM3437)

PM3062 Ministry to Youth (2)

This course is designed for those students who intend to spend a part of their active ministry as Youth Ministers or Youth Sponsors. Instruction is provided in the organization and the administration of an effective youth program in the local church. (This course may be taken for Christian Education credit.)

PM3063 Planned Preaching (2)

An advanced preaching course which develops a planned program of preaching, recognizing and using special occasions for preaching the Gospel. Special occasions, various types of events, the church year, and the general needs of a congregation will be considered in the planning.

PM3437 Principles of Christian Counseling (3)

This is a basic course that teaches students the fundamental techniques of counseling, the qualifications of a good counselor, diverse areas that require counseling, and the valuable use of Scripture in counseling. General attitudes toward counseling will be discussed, with the major emphasis upon the counseling a minister does with his congregation.

PM4039 Practical Ministry (2)

PM4064 Ministerial Organization (2)

An examination of effective administrative and organizational procedures. The course emphasizes planning and administration for growth and effective ministry.

PM4065 Preaching and Teaching from the Old Testament (2)

This course is designed to inspire & improve the student's skill in teaching and/or preaching the different genres and the great Biblical themes from the Old Testament. Attention will be given to reading texts in their historical, literary, & theological context, developing passages into usable outlines & manuscripts for sermon & lesson plans, which the student may then use to teach and/or preach, and will help students further explore & develop their spiritual gifts & academic skills in serving the teaching & preaching needs of the church.

PM4066 Preaching and Teaching from the New Testament (2)

This course is designed to guide the student in the use of sound exegetical and homiletical principles especially relevant to preaching and teaching from the New Testament. The various genre of New Testament literature will be examined. The class will investigate different types of New Testament texts and learn to develop expository sermons from these texts.

PM4067 Readings in Preaching/Pastoral Ministry (1)

A directed course of study in the area of Christian ministries for the qualified student who desires to pursue study in an area of ministries not covered in the regular curriculum.

PM4068 Research Paper in Preaching/Pastoral Ministry (1)

This course allows the student to make an ordered presentation, in written form, of his findings in PM4067 Readings in Preaching/Pastoral Ministry.

G. PRACTICUM

PR1038 Practicum in Servant Leadership (1)

This practicum guides the group of students through the process of becoming servant leaders. The team meeting discussions help the students understand the importance of becoming a servant in attitude and in example in order to be a more effective leader. Through practical projects the students will be shown how to recognize differing spiritual gifts in their team members and to emphasize each others' gifts for the effective functioning of the team. Students will learn the importance of serving one another in a team in order to participate in functional teams. The principles of coaching and mentoring are explored as well as the Biblical basis for servant leadership among teams.

PR1039 Practicum in Team Dynamics (2)

This practicum guides the group of students through the process of working together as a team. The team meeting discussions help the students understand the importance of using effective teams in the church and in faith-based organizations. Through practical projects the students will be shown how differing personalities and spiritual gifts interact to either hinder or enhance team effectiveness. Students learn to participate in functional teams and receive guidelines for conducting team meetings. The principles of coaching and mentoring are explored as well as the Biblical basis for employing teams to accomplish the Great Commission.

PR2038 Practicum in Strategic Planning (2)

Students will become familiar with various ways to look at a community through Census data and surveys. Study can be targeted either toward the planting of a new church or the development of an existing congregation by matching the ministry to the community.

PR2039 Practicum in Project Management (2)

The purpose of this course is to introduce students to the complete process of Project Management, from initial readiness assessment, through the development of the project plan itself, and on into the implementation, monitoring, and reporting phases.

PR3038 Practicum in Building Donor Relationships (2)

This course includes both classroom and experiential components. As much as possible, the readings and class topics will coincide with the experiential activities underway during the semester. The experiential work will involve a minimum of 75 hours in team-based assignments necessary to raise funds for a church planting project adopted by the cohort team.

PR3039 Practicum in Developing a Team Ministry (2)

This practicum guides the group of students through the process of developing a core group of believers that form the foundation for the new church plant. The team will be involved in meeting people through the coffee house outreach and various other community outreaches in the target city. They will start small group Bible studies, and other activities to begin to find those who will commit to be a part of the core group of the new church plant. Students will need to develop and implement a survey which will be used to find some of the felt needs of the target community and find potential members in the core group.

PR3040, PR3041, PR4040, PR4041 Practicum in Ministry (1)

The student's ministry activities are monitored by college personnel and evaluated by his Faculty Advisor, a leader [mentor] in the local congregation he is serving, and the student himself. A journal and reflection paper by the student along with reports from the mentor are required.

PR4038 Practicum in Discipleship Training (2)

This practicum guides the group of students through the process of facilitating Christian growth in the body of Christ. The team meeting discussions help the students understand the importance and the process of Christian growth. Through practical projects the students will be shown how to add to their own faith and help others work through hindrances to growth.

PR4039 Practicum in Practical Ministry (2)

A consideration of the Biblical concept of ministry. Emphasis will be placed upon the personal life of the minister, and the relationship between the minister and the local congregation. Practical aspects of the ministry will be covered as students learn how to conduct funerals, weddings, ordinations, baptisms etc.

PR4042 Ministerial Internship (2)

The student can fulfill the requirements for this course in either a part-time student ministry or a full-time summer ministry. All work will be done with the constant supervision of college personnel and (in the case of youth ministers) the senior minister of the local congregation. This internship is designed to give the student actual ministerial experience in a local congregation.
